My old hen is a good old hen
She lays eggs for the railroad men
Sometimes eight and sometimes ten
That's enough for the railroad men

Cluck old hen cluck and sing
Ain't laid an egg since late last spring
Cluck old hen cluck and squall
Ain't laid an egg since late last fall

My old hen, she won't do
She lays eggs and taters, too
Sometimes one, sometimes two
And that's enough for the whole damn crew

My old hen she has a wooden leg
Best damn hen that ever laid an egg
First time she cackled she cackled a lot
Next time she cackled she cackled in the pot
