The other night dear, as I lay sleeping
I dreamed I held you in my arms
When I awoke dear I was mistaken
And I hung my head and I cried

I'll always love you and make you happy
If you will only say the same
But if you leave me and love another
You'll regret it all someday

Chorus

You are my sunshine, my only sunshine You
make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away

You told me once dear you really loved me
That no one could come between
But now you're leaving to love another
You have shattered all my dreams
