Lyrics:

## Chorus

Leavin' on that New River Train  
Leavin' on that New River Train  
That Same old train that brought me here  
Gonna carry me away again

## Verse 1

Darlin you can't love one  
Darlin you can't love one  
You cant love but one and have any fun  
Darlin you can't love one

**Verse 2:** You cant love two and your heart still be true

**Verse 3:** You can't love 3 and still love me

**Verse 4:** You can't love 4 and love me any more

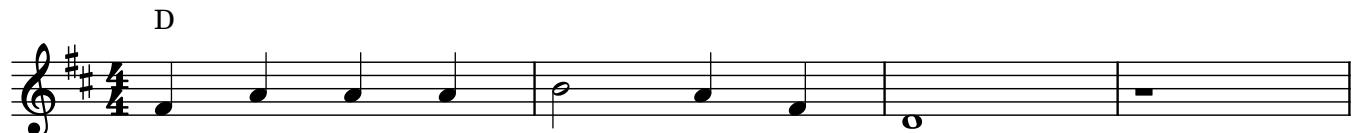

Darlin remember what you said  
Darlin remember what you said  
Remember that you said you'd rather see me dead  
Than to see me on that New River Train
