

Bury Me Beneath the Willow

Traditional

My Heart is sad and I am lonely
For the only one I love
When shall I see her? Oh no never
Till we meet in heaven above

So burry me beneath the willow
Under the weeping willow tree
So she will know where I am sleeping
Then perhaps she'll weep for me

Tomorrow was too be our wedding
God oh god how can it be
She's gone a courting with another
She no longer cares for me

She told me once she dearly loved me
How could I believe it untrue?
Until that angel softly whispered
“She no longer cares for you”

Place on my grave a snow white lily
To show my love for her was true
To show the world I died of grieving
For her love I could not win
