

Little Cabin Home on the Hill

Tonight I'm alone without you my dear
It seems there's a longing for you still
All that I can do is just sit alone and cry
In our little cabin home on the hill

Someone has taken you from me
and left me here all alone
Just listen to the rain beyond my window pane
In our little cabin home on the hill

I hope you are happy tonight as you are
But in my heart there's a longing for you still
I'll just keep it there so I won't be alone
In our little cabin home on the hill

Someone has taken you from me
and left me here all alone
Just listen to the rain beyond my window pane
In our little cabin home on the hill

When you have come to the end of the way
And find there's no happiness for you
Let your thoughts turn back once more if you will
To our little cabin home on the hill

Someone has taken you from me
and left me here all alone
Just listen to the rain beyond my window pane
In our little cabin home on the hill
